“ I'm Tammy, one of Rosys nieces. I have a lot of great memories with and about my aunt, but what I remember more than anything was the love she had for her husband, daughter, granddaughter and younger siblings. There wasn't anything that had a limit on it especially love that she gave to them. There were some nieces and nephews that she treated like they were her own and that was beautiful. During my auntie RoRos last days I got to see what love is. My cousin Reena, cousin Kayla and my auntie Kay Kay pulled together and made her last days at home comfortable, funny, safe but above all full of love. They all showed including Hopie, what everyone she get unconditional love. My aunt loved life, she took each day as a gift and shared her joy with everyone she loved. It was sad seeing her sick like that but beautiful seeing what I saw, being loved by the ones she loved most. Anytime we think of my auntie RoTo now it is not goodbye but that she can now dance, sing and share her love again but this time with the family she has missed. To you auntie I'll always remember you singing to me as a little girl and as when you were sick and I'll remember the lady that all the little kids at the daycare loved. I will remember you dressing as an Easter Bunny when we were little. Fly high auntie and remember you'll never be forgotten, just missed.love you.

“ Roro..I only got to meet you thru video messenger and all I remember is the SWEET HELLLLLOOOOO and laughter that followed the hello. I remember the video tours I got at Christmas of your cheerful, colorful, vibrant, snowy , and creatively well decorated home. There wasn't a dim light anywhere in your home which is the memory I now have of you! Color, happy, crazy ;) and well put together as your daughter, sister, and niece described you! You will be missed and kept near and dear to all our hearts. RIP 🙏

❤️ Naf ta lie 😊😭😘
