“ Shanna was always so energetic and full of life. I will always see Shanna as family. Many years spent with us. My Virgo twin. Always in my heart. I know you are at peace and I know my mother is right by your side as she always was. I find comfort knowing you are both living in paradise and have each other to comfort once again. Love you always girl. ❤️

“ I’m so heartbroken to hear of Shanna’s passing. She is a friend I will never forget. There are just so many memories and I tell my kids about our adventures all the time. From skipping school in the red Dodge Daytona to our very often all nighters sitting outside just talking. No matter how long it had been since we had seen each other she would always embrace me in the biggest hug and reminisce about our childhood days. My sincere condolences to all her family and friends. 💔🙏
