“ *Just a few months ago, Uncle Steve, where your smile radiated the room. I am at peace knowing my mom is now caring for you. You will forever be missed. I'm sure you are already with your sister Ines and brother Guido who left this world before you. Ray and Arnold will carry on the examples you left. Rest easy now. ❤️❤️*

“ *I'm going to miss our rounds of golf together and will cherish the last round we played together! You were my guidance, mentor, but also one of my best friends! I can look back on all of the years that we worked together! You were a guiding light for me in my young adult life, and I will always be grateful for that! Rest in peace my brother till we see each other again!*
