“ To Stephens family:

I am so sorry to hear about Stephen's passing. I just found out. I know how much he meant to you, and I can only imagine how difficult this time must be for you.

Over the 45 years that I had known and worked with Stephen, I have many fond memories. Even though we had not been very close these past few years, I always considered him a friend. He was always such a kind, gentle, sole, and loving person who touched many lives. He was always willing to help others, and he always put others before himself. He was a true friend, I feel lucky to have known him and I will miss him.

I know that no words can truly express the pain you are feeling right now. His memory will always live on in our hearts and minds.

*With deepest sympathy,
Steven Kaplan*

“ Steven was my boss while I worked at the Temple Sinai with him for about 10 years. He was great to me while I was in high school and college. He would work around my school schedule to fit me in with about 20-25 hours of work per week.

I even helped Steven and Steven Kaplan while they opened the bagel shop. I would work on Sundays so Steve can leave early to take a nap after working everyday at 4am. He became allergic to the yeast which caused them to sell the bagel Shop. I believe he was sad to see it go because he did like to cook.

He watched my cat years ago, he made Hammie some toys while we were on vacation. He called Hammie, Dude, which was his buddy while he saw him.

Steven loved many people and would do anything for them.

He will be missed by many friends and family.

“ Sheila, I am so sad to hear of Stephen's passing. I will never forgot my friend Godot. He was a huge part of some of my best memories as a teen. Study Hall, hockey games, working together at Howard Johnson's, driving the back roads, the beach, getting hot Weiners for lunch and eating them at Meshanicut. When I returned to the state after leaving for some years, I found him working at my son's elementary school, and we got to renew our friendship once again. I will never forget you Stephen. Sheila, my deepest condolences. May Stephen's memory be a blessing. 💔
