“ Having called Steve a friend for over 30 years was a privilege. We worked together at Giro's before there was a Home Depot (first Warwick, then N.K.). He always had that spring in his step and a smile on his face. Quick with a joke, and we enjoyed trading "insults". You are missed my friend. My deepest sympathies to K & M.

“ To Steve's sister and family,

I worked with "Luce" many years ago at Mama Rosa's and boy, what a fun time we had! We were a group of college-age employees working hard in there but I can remember all the music, jokes, games we devised while getting the food out. Then we'd leave work and go out and joke around some more. During those times we did get to be very good friends, and one thing I remember very clearly about Steve was that he loved his family and adored his little sister Kristen.

I was so happy to see him at Home Depot years later and again at the Elks....it was like nothing changed, still an easy-going all-around great guy. It's how I will always think of him.

Peace to you, Steve
