

## Steven J. "Mac" McDermott

July 4, 2022

It is with great sorrow we announce the loss of Steven J. "Mac" McDermott, 72, of East Providence, RI and Delray Beach, FL, who passed away suddenly at his East Providence home on July 4, 2022.

He was the devoted husband of the late Marilyn (Lewis) McDermott to whom he was married for 40 years.

Born in Providence, RI on March 3, 1950, he was the son of the late James and Pearl (Stevenson) McDermott.

He was a 1969 graduate of East Providence Senior High School. During his 20's he worked for Bird & Son's. A proud 41-year retired member of Pipefitters Local 4 Worcester, MA, he had worked on the construction of hospital operating rooms, elementary schools, Seabrook Nuclear Station and other power plants in New England.

Steven was an excellent pool player, a skilled wood carver, a tropical fishkeeper and a lifetime racecar enthusiast, especially of Chevys and Ferraris. For years he played Santa Claus both at public events and private parties. He enjoyed games of chance and reveled in winning.

Steven leaves many who loved him, sister Margaret Ann McAlarney, niece Mary Margaret McDermott, grandniece Helena Grace Rossi, godson Jason

Lee Bartlett, many cousins and friends. He was the brother of the late Jimmy McDermott.

In memory of Steve Mac, please spend your time enjoying life. As Steven often told us,  
“Every day is a holiday.”

A Memorial Mass will be held on Saturday July 23rd at 11:00 a.m. at Sacred Heart Catholic Church, 118 Taunton Avenue, East Providence.

“ Dear Margaret Ann:

*Just found out about Steven's passing and can't express enough how sorry we were to hear the news. We remember fondly the friendship between your family and ours and the many times Steven stopped by our parents home to spend some time with them and share a glass of wine.*

*Steven was a wonderful person - so kind and thoughtful - May your memories of him bring you peace.*

“ I enjoyed Steve. I remember when I was a junior in high school. I had to lose 25 lbs to get down to weight. Steve wrestled unlimited. So weight wasn't a factor to him. I was having my lunch, a square of jello with a dabble of whipped cream , in the cafeteria. I was ready to dig in when all of a sudden Steve walked by and scooped up my whipped cream. He said I didn't need it. To this day I laugh about that. Steve brings great Memories to me. God Bless

“ Steven was my next door neighbor. When my sister's and I were kids he would throw us up in the air or spin us around. I moved out of my parent's house years ago and whenever I would see him when I visited he would always ask how things were and how my daughter was. He was the nicest guy anyone could ask for in a neighbor. He'll be missed! Wendy
