“ Today I said a final goodbye to my mother-in-law. She was an amazing woman that welcomed me into her home and into her family over 30 years ago. She always made me feel like her second son. I am truly thankful for the blueberry cheesecakes I got at Thanksgiving when the other’s received Canadian meat pies-- she knew meat pie was not my favorite; She was always there for anyone in the family, including my children. I enjoyed all the visits to Florida over the past 15 years when we could just go for a ride or out for a bite to eat. Lots of memories, to many to list. I will miss her dearly and may she rest in peace.

“ My mother was the sweetest, kindest most loving person I ever knew. She looked at each day as anew beginning, full of hope and promise. She taught me how to be strong and independent and was always there for me whenever I needed her wisdom and support. She was an amazing grandmother to my kids and all her grandchildren. I'm so glad I had these last few months with her. I will miss her fabulous sense of humor and quick wit . She could always make me laugh. You're in the company of your beloved angels now , Mom starting a new day. I love you

“ So many years ago, right before my eyes appeared the loveliest woman, one of the nicest I had encountered in many years, she opened her arms and welcomed me into her life, we talked about so many things in those years so comfortably, and took Shaun into her family and named as one of her grandsons, so sorry for your loss as her living family❤️❤️
