

Thomas Ardito

February 26, 2023

Thomas “Tom” Ardito, 64, passed away peacefully at the home he lovingly built for his family 34 years ago on Sunday, February 26th.

Born in Providence, he was the son of the late Gino and Dorothy (Esposito) Ardito. He was the beloved husband of Patricia (Todd) Ardito for 44 years. Devoted father of Kenneth Ardito, Matthew Ardito and his wife, Ashley. Cherished brother of Donald Ardito and his wife, Diane. He was blessed with his one and only granddaughter, Sophia Rose, whom he adored. He leaves many nieces and nephews for whom he cared deeply.

Tom worked as a reprographic manager for 46 years for ARC Document Solutions (formally Rhode Island Blueprint). However, his true passion was being a self-taught woodworker, building custom-made furniture for his family and home. He was quite the accomplished craftsman.

An avid fan of all New England sports, he enjoyed reading and listening to music. He will be remembered for his bright smile and his great devotion to his family and friends.

His family would like to extend their deepest thanks to his extended family and friends, the staff of Dana-Farber, Lifespan Cancer Center and the Nursing Placement Hospice Team.

Visiting hours will be held Thursday, March 2 from 4:00 p.m. - 7:00 p.m. at the Winfield and Sons Funeral Home, 571 West Greenville Road, Scituate RI. In lieu of flowers, please make donations to St. Judes Children's Hospital.

Very sorry for your loss

“ My deepest condolences to Patricia, Kenny, Matthew, and Donald, and all extended family. May God bless and comfort you during this difficult time. It has not been easy trying to process the loss of such a great friend. Anyone who ever knew Tom well is sure to also be feeling the same big hole in their hearts that I feel right now, he touched so many lives. He was one of a kind, irreplaceable, and it has truly been a privilege to be his friend. Even when I wasn't in contact with Tom, I always felt his close presence in my life. We were especially close as kids, growing up in the same neighborhood, playing sports, riding bikes, listening to music, getting in trouble, doing all the fun things kids do, and cherishing every minute of it. The awesome memories of those innocent childhood times have never left us, not for a minute, and we all still hold them close to our hearts. In fact, many times, it's those same memories that have helped get us through some difficult times in life. Along with Steve and Richard, our young foursome became known around the neighborhood as the 4 musketeers, always together, and having the time of our lives. Eventually, after high school, life took us all in different directions, but we always stayed in touch from time to time. Even though we weren't hanging out daily as we did when we were kids, our friendships have remained as strong as ever. Tom was all about family, that was clear from the first day I met him. Through the years, he was a dedicated and loyal husband, father, and friend. His family was of the utmost importance to him, and I never heard him complain once, even when life would sometimes get difficult. Every time we talked he would always say something to make me laugh, and I would return the favor. Tom had a personality and a half, and he was always fun to hang out with. He always looked for ways to encourage others, no matter who it was. Tom was just that way, he would always choose to put others ahead of himself. He was an inspiration, and a great example to others of what it means to be a kind, thoughtful, and generous human being. I am already missing him dearly, so I must look forward to reuniting with him in heaven, because there is no doubt that that's where he is right now. Be assured, he is in heaven, pain free, worry free, and full of joy to be in the presence of God. Tom, I love you buddy, and

I'll be seeing you again for sure, and I know we're all very much looking forward to that reunion. God bless you.

“ *Tom was a wonderful guy who shared his good spirit with everyone around him. Every time I visited RIBP he would make me laugh or at least smile. He taught me how to align a huge stack of plans, how to avoid back pain, and other tricks we use a lot. He will be sorely missed.*

“ *Tom was a wonderful individual who was a huge part of the team that insured the success of Rhode Island Blueprint. He started with the company while a junior in high school working after school. He was the company's first employee and continued to grow and contribute each year. As the company and the industry changed from a labor-intensive operation to a digitally driven one, Tom adapted right along with it, teaching others in the process. He was customer oriented and helped both other employees and customers understand the new environment. He will be missed. My sincere condolences to Pat, their sons, and friends.*
