“ Tommy was such a a great great man!!!!  
I worked at Corliss and took Tommy to Yankee Stadium to watch a game with him and other clients.  
On another occasion we went to Coney Island and rode the Cyclone Roller Coaster and the Wonder Wheel ,(famous Ferris wheel). We drove all the way to Montauk Long Island, stopping along the way to go in the ocean on a beautiful summer day.  
Me and staff member Todd brought Tommy with us to Texas for a week long adventure vacation.  
We went to The Alamo and we bought Cowboy hats and we ate Tex Mex food. We went to The Astrodome on it's final year of operation (1999).  
Tommy just couldn't get enough of Texas.  
He loved flying on a big jet airliner!  
He was a handful but was a man with a large supply of love for anyone and anything.  
It was a blessing to be close to him.  
I'll never forget him and his lust for life.  
A truly great man that will now be missed by a world that needs him.  
Love you Tommy,
