“ *To my auntie "dot"(my special nickname of her; from our early days on Whittier Ave.)/In utter shock that it ended up this way; however, you are now with; uncle joe, my mom, auntie Louise,my dad, and of course your previous deceased family members!*

*We always had bittersweet memories starting on Whittier Ave., me coming downstairs to hang out with you, Joann and eventually Janis! Then moving to Mulberry Circle where we had many more good old "newer" days celebrating several christmas eve's and of course several new year eve"s all together until we all got older and went our seperate ways as our individual families started to grow!/I know we both had special bonds in our hearts of each other because of the auntie dot & anibutu days!/You will never be forgotten!!!*

*Love; Anthony(anibutu), Lynne, Alyssa, & Lauren.*
