We had good times talking about art and the funny experiences we had in Florida. You were always such a kind and loving man and no doughy God greeted you with open arms but know you will be missed here on earth. Safe journey my friend.

“ Our heartfelt sympathy and love to Allison, Robin, and Michelle for the loss of their dearly beloved father, Bill, and also to his cherished sister, Carol.

Bill was certainly one of a kind and lived his life as the best man he could be. He had a kind and gentle heart, loved his Creator which was evidenced in his talented drawings, appreciated all the small things in life, loved his family and friends with undying sincerity and always had a welcoming smile on his face. The bravery he showed at the end of his life was remarkable. He even said a couple of jokes to make everyone feel at ease.

To say that Bill will be missed is an understatement. He loved living in Narragansett, and always told me that I was his favorite neighbor. The memories we shared will forever be cherish and never forgotten.

Bill, we love you, we'll miss you, and we know you are in heaven. God bless you, our wonderful friend. Always in our hearts...

Love, Loreen and Kenny
